Councillor Gibson has given notice of his intention to move the following motion:

“That the Committee note the report in the New Zealand Herald dated November 14, 2000 that ‘perhaps the most telling figures’ in a ‘64-question 40-minute Research Solutions survey of 801 Aucklanders aged over 18 paid for by the Automobile Associationare that 12 per cent of people are willing to give up their cars for public transport and another 25 per cent could be swayed to do so.”
