Report 02.226

Utility Services Committee

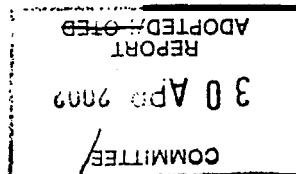

Minute extract from meeting held on 30 April 2002

-- Water Supply Annual Reporting

Recommendation

- (1) *Notes and confirms the value of producing an annual business report for water supply*
- (2) *Confirms the recommended approach of communicating with:*
 - (i) *Bulk water supply customers*
 - (ii) *The wider community of influential stakeholders*
 - (iii) *The general public of the region*
- (3) *Confirms, as outlined in Report 02.226, that the reporting tools used must be achievable within the existing budget at a reduced total cost.*

as amended above
