

Report 03.375
Date 30 June 2003
File Y/12/2/0

Committee Rural Services and Wairarapa
Author Steve Blakemore, Manager, Planning & Resources

Remission of Resource Management Charges

1. Purpose

To inform the Committee of Resource Management Charges that have been remitted under delegated authority.

2. Background

Management have the delegated power to remit resource management charges below \$1000 in any particular circumstance in accordance with Section 36(5) of the Resource Management Act 1991. Decisions taken are to be reported back to the appropriate Committee.

3. Remissions Made

WAR000430 - The Cliffs Trust - \$202.03 Additional Consent Processing Charges

Whilst the applicant was overseas, confusion arose over the amount of water required. This added to the processing costs of which the applicant was willing to pay only \$247.97.

WAR020058 - Estate R S Dick - \$175.00 Annual Charges

Charges were for a one off inspection of a recreated wetland were remitted. The area was dry at the time of inspection and Council policies encourage the reestablishment and enhancement of wetlands.

4. Communications

No additional publicity is proposed.

5. Recommendation

That the Committee receive the report and note its contents.
