Date:

Conditions to Resource Consent WGN030283 [22817]

- (1) The location, design, and operation of the Silverstream Landfill gas generation plant shall be carried out in accordance with the application dated 29 May 2003.

Note: Any change from the location, design concepts and parameters, implementation and/or operation may require a new resource consent or a change in consent conditions pursuant to section 127 of the Resource Management Act 1991.

- (2) The permit holder shall ensure that there is no discharge of particulates at a concentration greater than 250 mg/m³ (at STP), measured at the point of discharge.
- (3) The permit holder shall ensure that there is no smoke, dust, odour, gas or vapour from the discharge, which is noxious, dangerous, offensive or objectionable at or beyond the boundary of the property.
- (4) The permit holder shall measure the concentrations of CO, NO_x and SO_x in the air discharge within three months of the fourth, ninth and fourteenth anniversaries of the granting of this consent.

The results of the monitoring shall be submitted to the Manager, Consents Management, Wellington Regional Council, within one month of the testing being undertaken.

- (5) The permit holder shall keep a permanent record of any complaints received alleging adverse effects from the permit holder's operations. The complaints record shall contain the following where practicable:
- (a) the name and address of the complainant, if supplied;
 - (b) identification of the nature of the complaint;
 - (c) date and time of the complaint and alleged event;
 - (d) weather conditions at the time of the alleged event;
 - (e) results of the permit holder's investigations; and,
 - (f) any mitigation measures adopted.

The complaints record shall be made available to the Wellington Regional Council on request.

The permit holder shall notify the Manager, Consents Management, Wellington Regional Council, of any complaints received, which relate to the exercise of this permit, within 24 hours of being received, or on the next working day.

- (6) The permit holder shall keep a permanent record of any incident that results, or could result, in an adverse effect on the environment beyond the boundary of the permit holder's site.

The permit holder shall notify the Manager, Consents Management, Wellington Regional Council, of any such incident within 24 hours of the incident being brought to the attention of the permit holder or on the next working day.

The permit holder shall forward an incident report to the Manager, Consents Management, Wellington Regional Council within seven working days of the incident occurring, unless otherwise agreed with the Manager, Consents Management, Wellington Regional Council.

The report shall describe reasons for the incident, measures taken to mitigate the incident, and measures to prevent recurrence.

Note: For the purposes of this permit, incidents include, but are not limited to, events such as power or mechanical failure or unusual discharges.

Review Condition

- (7) The Wellington Regional Council may review any or all conditions of this permit by giving notice of its intention to do so pursuant to section 128 of the Resource Management Act 1991, at any time within three months of the third, sixth, ninth and twelfth anniversaries of the date of the granting of this permit for any of the following purposes:
 - (a) To deal with any adverse effects on the environment which may arise from the exercise of this permit, and which are appropriate to deal with at a later stage.
 - (b) To review the adequacy of monitoring requirements for this consent so as to incorporate into the permit any modification which may become necessary to deal with any adverse effects on the environment arising from the exercise of this permit.
- (8) The permit holder may apply at any time, pursuant to section 127 of the Resource Management Act 1991, for the change or cancellation of any consent condition, other than that relating to the term of the permit.

Costs

- (9) The Wellington Regional Council shall be entitled to recover from the permit holder the costs of the conduct of any review, calculated in accordance with and limited to that council's scale of charges in-force and applicable at that time pursuant to section 36 of the Resource Management Act 1991.
