Report 05.649

Environment Committee

Minute extract from meeting held on 1 December 2005

Divisional Manager's Report

Matters Raised By Councillors

- (1) What input is the Environment Division making in roading proposals impacting on the environment
- (2) As part of the Regional Policy Statement (RPS) process Greater Wellington should publish an explanatory note for the public regarding the RPS.
- (3) The need for Greater Wellington to champion the environment more vigorously from next year.
- (4) Greater Wellington could take a leadership conservation role in water drought situation.
- (5) Thought should be given to training for Honorary Enforcement Officers.
- (6) Officers to outline for the Committee our current ability to carry out our emergency management functions and to suggest possible improvements.

Resolved

That the Committee:

- (1) *Receive the Report.*
- (2) *Note the contents.*
