Report 06.341

Regional Land Transport Committee

Minute extract from meeting held on 25 July 2006

Transport Policy and Strategy Division – Work in Progress

That the Committee:

- (1) *Receives the report*
- (2) *Notes the content of the report.*

Noted

Mr Efford asked why a Greater Welling air quality monitoring station is located at the corner of Victoria and Vivan Streets, Wellington, rather than in central city street such as Lambton Quay. He was informed this is because Vivian Street has very high traffic volumes.
