Report 06.590

Environment Committee

Minute extract from meeting held on 21 November 2006

Divisional Manager's Report

Resolved

That the Committee:

- 1. Receives the report, and*
- 2. Notes the contents.*

Noted

- The Committee noted the statement by the Parliamentary Commissioner for the Environment in the report *Wind power, people, and place*, that “Regional authorities need to take a lead with a more proactive, strategic approach to wind power”.

The Committee asked that Officers investigate developing a wind resource map of the region.

- Councillor Baber was complimented on her report on the Resource Management Law Association Conference.

Officers were asked to note the content of the report.
