

## WRS Implementation (Council-led) Projects:

<i>Action Area</i>	<i>Lead Council</i>	<i>What produced &amp; resources</i>
Intensification / Infill Development	WCC	Material on residential densification & 'down-zoning' best practice / lessons learnt shared; Task plan using WRS template developed.; To include producing a common tool kit of definitions; To include scoping of Land Development Agency (LDA) for those councils interested (noting MfE initiatives, plus WRS agreements as to basis for addressing LDAs).
Rural Residential	Porirua CC to lead Direct interest: KCDC, UHCC, GWRC	Task plan using WRS template developed. Envisaged as subgroup of 3 to 5 officers progressing this work.
Industrial Land	Hutt City to lead	Task plan using WRS template developed. Initial step to get agreed terms of reference.
Affordable housing	WCC to lead	Task plan using WRS template developed. Consultant/s engaged to look at WRS & confirm land supply, then focus on what work needed. Requires working closely with CGovt & confirming what work already underway & potential for synergy.
Genuine Progress Indicators	WRS Office to lead.	Further developed framework to go to WRS Committee for December 2007 meeting.
<b><i>Matters below are important but to be addressed later in work program</i></b>		
Regional Approach to Big Box Retailing	To be determined	Develop common methodology for assessing impacts, plus planning definitions.

## Other Related Projects

<i>Action Area</i>	<i>Lead Agency</i>	<i>What produced &amp; resources</i>
Broadband	WRS office to liaise with REDA	Task plan developed using WRS task plan template in conjunction with REDA. WRS sets out expectation that Wellington Regional Xchange is endorsed and to be resourced to develop a regional business case. (WRS p27).
Telling the region's story (marketing)	WRS office to liaise with REDA & RTOs (most likely via PWT)	Task plan using WRS template developed.
Wellington regional labour market strategy	WRS office to liaise with REDA; plus Kim Kelly; Paul Desborough due to previous involvement	Adopted WRLMS and implementation action plan form basis for developing WRS SORT specific task plan. Liaison with WRLMS co-chairs required.
Centre Plans	WCC to initiate first stage. Direct interest: all councils Noted that Kapiti (x's 2), Grenada / Gracefield & Pauatahanui a priority for WRS office attention.	Piece of work to define the relative 'maturity' / comprehensiveness of role played by centres around the region. Methodology used in Manukau City to be investigated. Terms of reference developed and task plan. Involve Transit. WRS office to address process for initial discussions, SORT peer review & reporting back. Work plans to be mapped for SORT
Land Use / Transport Technical Group linkage.	GWRC to initiate.	Requires a terms of reference. Needs Transit NZ to be engaged early in the process and invited to participate.
Subdivision design guides and development codes	KCDC	Task plan using WRS template developed.
Open Space actions	GWRC	Utilise officers from Parks & Open Space teams to progress actions identified in the WRS; Task plan using WRS template developed..

### Initiatives Already Underway

<i>Action Area</i>	<i>Lead Agency</i>	<i>What produced &amp; resources</i>
Urban Design Protocol	WRS office.	Sign up process for late Nov/Dec or first quarter 2008 as discussed with officers as to feasible timeframes.
Wellington regional labour market strategy	WRS office to liaise with REDA and WRLMS co-chairs;	Regular reporting arrangements needed into SORT / CEG at operational level. Reaffirm cycle for engaging with WRS Committee as per previous engagement report endorsed by WRS Committee
Long Haul Strategy	WRS office to liaise with REDA & PWT. Ensure linkage with REDA.	Program underway. Linkages to ensure separate LTCCP funding arrangements can be appropriately maintained.  Linkages with marketing / telling the region's story.
