

That the Committee

Exclude the public from the following part of the proceedings of this meeting namely:

1. Raroa Road tunnel pipe relocation - Increased financial allocation

The general subject of each matter to be considered while the public is excluded, the reasons for passing this resolution in relation to each matter and the specific grounds under section 48(1) of the Local Government Official Information and Meetings Act 1987 for the passing of this resolution are as follows:

<i>General subject of each matter to be considered:</i>	<i>Reason for passing this resolution in relation to each matter</i>	<i>Ground under section 48(1) for the passing of this resolution</i>
1. <i>Raroa Road tunnel pipe relocation - Increased financial allocation</i>	<i>The information contained in this report relates to Greater Wellington Regional Council entering into a Contract for the construction of pipeline. The preferred Tenderer has not yet been chosen. The report outlines the Council's budget for this tender. Having this part of the meeting open to the public would disadvantage the Council if further negotiations were to take place. The Council has not been able to identify a public interest favouring disclosure of this particular information in public proceedings of the meeting that would override this prejudice.</i>	<i>That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information for which good reason for withholding would exist under section 7(2)(i) of the Local Government Official Information and Meetings Act 1987 (i.e to enable Greater Wellington to carry out, without prejudice or disadvantage, negotiations).</i>

This resolution is made in reliance on section 48(1) of the Local Government Official Information and Meetings Act 1987 and the particular interest or interests protected by section 6 or section 7 of that Act which would be prejudiced by the holding of the whole or the relevant part of the proceedings of the meeting in public are as specified above.
