

Appendix A

Key stakeholder organisations

The list of key stakeholder organisations will include those currently working with a range of Greater Wellington groups. The proposed list has been selected on the basis of their experience with Greater Wellington, their vulnerability to changes in the plan, and their importance to its implementation. Individual people at the appropriate level will be approached within these organisations and industries.

- (a) Rural landowners: Landowners adjacent to Lake Wairarapa, Balance Farm award winners, etc.
- (b) Environmental NGOs: Ecologic, EDS, Forest and Bird, Fish & Game, etc.
- (c) Agricultural inputs: Balance Agri-nutrients, Ravensdown Fertiliser, FertResearch, Dairy NZ, Beef and Lamb, Federated Farmers, Horticulture NZ, etc.
- (d) Agricultural processors: Fonterra, etc.
- (e) Science and consultancy: NIWA, AgResearch, Landcare, Victoria University, Massey University, OPUS, etc.
- (f) Forestry: Carter Holt Harvey, etc.
- (g) Energy: Contact Energy, Genesis, NZ Wind energy association, etc.
- (h) Recreation and Tourism: Federation of Mountain clubs, etc.
- (i) Infrastructure servicing – stormwater, sewerage, water-supply, developers, roading, and significant infrastructure, etc.
- (j) Māori groups – FOMA, Māori Trust Boards, Marae Committees, etc.
