Report 13.693

Civil Defence Emergency Management Group (CDEM Group)

Minute extract from meeting held on 28 June 2013

Capability Assessment – Corrective Actions Update

The Capability Assessment was carried out by the Ministry of CDEM in 2010 prior to the establishment of WREMO. The tabular report presented indicates significant progress has been made since then to address the opportunities for improvement identified.

Report 13.693
