Grow Wellington Half Yearly Report (July - December 2013)

1. Purpose

The purpose of this report is to present the Half Yearly Report of Grow Wellington (July-December 2013).

2. Background

Grow Wellington was established in 2007 to deliver economic growth initiatives for the region under the Wellington Regional Strategy (WRS). The company is required to report to the Committee on its activities at the end of each six monthly period. Grow Wellington's half yearly report for the first half of the financial year 2013/14 (**Attachment 1**) will be tabled at the meeting.

The WRS Office has historically provided comment on Grow Wellington's reports aligned to performance standards in the Statement of Intent. However, the timing of the Committee's meeting has meant such a review was not possible.

3. Communication

The Half Yearly Report will be publicly available on Grow Wellington's website. Any other communications will be the responsibility of Grow Wellington.

4. The decision-making process and significance

No decision is being sought in this report.

5. Recommendations

That the Committee:

1. ***Receives the report.***
