File: E/12/01/04

Moved

That the Council:

Excludes the public from the following part of the proceedings of this meeting namely:

1. Proposed Property Purchase

The general subject of each matter to be considered while the public is excluded, the reasons for passing this resolution in relation to each matter and the specific grounds under section 48(1) of the Local Government Official Information and Meetings Act 1987 for the passing of this resolution are as follows:

<i>General subject of each matter to be considered:</i>	<i>Reason for passing this resolution in relation to each matter</i>	<i>Ground under section 48(1) for the passing of this resolution</i>
----------------------------------------------------------------	-----------------------------------------------------------------------------	-----------------------------------------------------------------------------

<i>1. Proposed Property Purchase</i>	<i>The information contained in this report relates to Greater Wellington Regional Council (GWRC) considering whether to acquire property. The report sets out matters which would impact on negotiations in the event that a decision is made to enter into negotiations to purchase property. Release of this information would disadvantage the Council in the negotiations as it would reveal information on the Council's negotiation strategy. GWRC has not been able to identify a public interest favouring disclosure of this particular information in public proceedings of the meeting that would override this prejudice.</i>	<i>That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information for which good reason for withholding would exist under section 7(2)(i) of the Local Government Official Information and Meetings Act 1987 (i.e. to enable GWRC to carry out, without prejudice or disadvantage, negotiations).</i>
--------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

This resolution is made in reliance on section 48(1) of the Local Government Official Information and Meetings Act 1987 and the particular interest or interests protected by section 6 or section 7 of that Act which would be prejudiced by the holding of the whole or the relevant part of the proceedings of the meeting in public are as specified above.

The motion was **CARRIED**.

The public part of the meeting closed at 2.30pm.
