There are no particular trends of note during the period.

2.2 Non-notified consents of interest

International Waste Limited was granted resource consent for a proposed new waste sterilisation facility at 12 Broken Hill Road, Porirua, moving from their current site in Seaview. The facility will sterilise quarantine waste and medical waste, providing an essential service to hospitals, ports and airports in the lower North Island so that they can meet their obligations under the Biosecurity Act. Any odour generated will be treated by a biofilter before beginning discharge to air. Treated material will be disposed of at landfill.
