Conditions to Resource Consent

WGN070242 [26053]

General conditions

1. The location, design, construction, implementation and operation of all works shall be carried out in accordance with the application and associated documents and plans, lodged with the Wellington Regional Council on 10 May 2007, and further amended plans received on 23 July 2007.

Notification

2. Except for emergency works, the Manager, Environmental Regulation, Wellington Regional Council, shall be given least 48 hours notice prior to commencement of operations or maintenance activities involving the diversion of the stream flow.

Note: For the purposes of this consent the term “emergency works” is deemed to have the same meaning as section 330(1) of the Resource Management Act 1991.

Environmental conditions

3. All diversions shall be implemented in a manner that will provide for uninterrupted fish passage. Any fish entrapped during diversion shall be relocated upstream in clear water as soon as possible.

General conditions on completion of the diversion works

4. The diversions shall remain the responsibility of the permit holder and shall be maintained to the satisfaction of the Manager, Environmental Regulation, Wellington Regional Council. Any erosion of the stream bed or banks that is attributable to the diversion of the Waitohu Stream shall be repaired by the permit holder to the satisfaction of the Manager, Environmental Regulation, Wellington Regional Council.

Review of conditions

5. The Environmental Regulation Department, Wellington Regional Council, may review any or all of the conditions of this permit by giving notice of its intention to do so pursuant to Section 128 of the Resource Management Act 1991, at any time within six months of the anniversary of the date of commencement of this permit, for any of the following purposes:
 - a) To deal with any adverse effects on the environment which may arise from the exercise of this permit, and which it is appropriate to deal with at a later stage; and
 - b) To enable consistency with relevant plan(s).

Note: Additional resource consents from your local council may be required to undertake this proposal. We advise you to contact Kapiti Coast District Council prior to commencing works.
