

Appendix 1: Table of Provisions within rural land use topic and supporting information

Provision	Page number in PC1 Document	Process (FPP or P1S1)	Number of submission points
Definitions			
Annual stocking rate	2	FPP	5
Effective hectares	4	FPP	2
Erosion risk treatment plan	4	FPP	6
High erosion risk land (pasture)	6	FPP	9
Highest erosion risk land (pasture)	6	FPP	15
Intensive grazing	6	FPP	5
Nitrogen discharge risk	7	FPP	7
Recognised Nitrogen Risk Assessment Tool	7	FPP	9
Registration	7	FPP	2
Sacrifice paddocks	7	FPP	6
Small stream riparian programme	7	FPP	68
Stock unit	9	FPP	8
Stocking rate	8	FPP	7
Winter stocking rate	10	FPP	5
Methods			
Method M42: Small farm property registration within Whaitua Te Whanganui-a-Tara and Te Awarua-o-Porirua Whaitua	55	FPP	14
Method M44: Supporting the health of rural waterbodies	56	P1S1	54
Chapter 8 – Te Whanganui-a-Tara			
8.2.4 - General	77		67
Policy WH.P21: Managing diffuse discharges of nutrients and Escherichia coli from farming activities	77	FPP	34
Policy WH.P22: Capping, minimising and reducing diffuse discharges of nitrogen from farming activities	78	FPP	29

Section 42A Report – Hearing Stream 3 – Rural land use – 15 April 2025

Provision	Page number in PC1 Document	Process (FPP or P1S1)	Number of submission points
Policy WH.P23: Achieving reductions in sediment discharges from farming activities on land with high risk of erosion	78	FPP	57
Policy WH.P24: Phasing of farm environment plans	79	FPP	24
Policy WH.P25: Managing rural land use change	79	FPP	28
Policy WH.P26: Managing livestock access to small rivers	79	FPP	32
Policy WH.P27: Promoting stream shading	79	FPP	31
Rule WH.R26: Farming activities on a property of between 4 hectares and 20 hectares – permitted activity	102	FPP	125
Rule WH.R27: Farming activities on 20 hectares or more of land – permitted activity	103	FPP	78
Rule WH.R28: Livestock access to a small river – permitted activity	104	FPP	94
Rule WH.R29: Livestock access to a small river – discretionary activity	105	FPP	22
Rule WH.R30: The use of land for farming activities – discretionary activity	105	FPP	25
Rule WH.R31: Change of rural land use – discretionary activity	105	FPP	25
Rule WH.R32: Farming activities – non-complying activity	106	FPP	18
Table 8.6: Phase-in of farm environment plans for part Freshwater Management Units	104	FPP	14
Chapter 9 – Te Awarua-o-Porirua			
Policy P.P20: Managing diffuse discharges of nutrients and Escherichia coli from farming activities	129	FPP	21
Policy P.P21: Capping, minimising and reducing diffuse discharges of nitrogen from farming activities	130	FPP	26
Policy P.P22: Achieving reductions in sediment discharges from farming activities on land with high risk of erosion	130	FPP	32

Section 42A Report – Hearing Stream 3 – Rural land use – 15 April 2025

Provision	Page number in PC1 Document	Process (FPP or P1S1)	Number of submission points
Policy P.P23: Phasing of farm environment plans	131	FPP	19
Policy P.P24: Managing rural land use change	131	FPP	18
Policy P.P25: Promoting stream shading	131	FPP	21
Rule P.R25: Farming activities on properties of between 4 hectares and 20 hectares – permitted activity	154	FPP	21
Rule P.R26: Farming activities on 20 hectares or more of land – permitted activity	154	FPP	20
Rule P.R27: The use of land for farming activities – discretionary activity	155	FPP	19
Rule P.R28: Change of rural land use – discretionary activity	156	FPP	19
Rule P.R29: Farming activities – non-complying activity	156	FPP	12
Table 9.5: Phase in of farm environment plans for Part Freshwater Management Units	155	FPP	14
Schedules			
Schedule 35	280	FPP	85
Schedule 36	282	FPP	25
A Certification requirements under the Resource Management (Freshwater Farm Plans) Regulations 2023.	282	FPP	8
B Management objectives.	282	FPP	8
C Content of a farm environment plan.	283	FPP	9
D Risk assessment and mitigation to address risk.	283	FPP	9
Table D1 Sediment loss	283	FPP	1
E Erosion Risk Treatment Plan	284	FPP	11
F Small stream riparian programme	286	FPP	17
Maps			
Map 90: Highest and high erosion risk land (Pasture) – Te Awarua-o-Porirua.	306	FPP	13
Map 93: Highest and high erosion risk land (Pasture) – Te Whanganui-a-Tara.	309	FPP	22
Map 96: Mākara catchment.	312	FPP	6

Section 42A Report – Hearing Stream 3 – Rural land use – 15 April 2025

Provision	Page number in PC1 Document	Process (FPP or P1S1)	Number of submission points
Map 97: Mangaroa catchment.	314	FPP	6
Disapplied Provisions			
Policy P70: Minimising effects of rural land use activities.	316	P1S1	8
Policy P71: Managing the discharge of nutrients.	316	P1S1	4
Policy P72: Priority Catchments.	317	FPP	4
Policy P73: Implementation of farm environment plans in priority catchments.	317	FPP	3
Policy P74: Avoiding an increase in adverse effects of rural land use activities and associated diffuse discharges of contaminants.	317	P1S1	5
Policy P76: Consent duration for rural land use in priority catchments.	318	FPP	2
Rule R110: Use of rural land in priority catchments – permitted activity.	340	FPP	2
Rule R111: Use of rural land in priority catchments – controlled activity.	340	FPP	2
Rule R112: Use of rural land in priority catchments – discretionary activity.	341	FPP	2
